

Corporate Sponsorship

CHANTRY DANCE

Chantry Dance is a theatrical contemporary ballet company formed in 2012, and led by Co-Artistic Directors and international choreographers, Rae Piper and Paul Chantry. Being one of a few professional dance companies in Lincolnshire, Chantry Dance has deep pride in its reputation in creating world-class and ground-breaking new productions, whilst working towards realising a vision where dance is accessible to all.

Partnering with CDC

Having the right partner in dance and in business is very important. By partnering with Chantry Dance, you will be contributing to the cultural tapestry of the UK.

Sponsorship is a unique opportunity for your company to be seen in its best light – as a community leader.

As a partner, your company will gain access to an exclusive range of marketing, brand and performance benefits and opportunities to best meet your organisational needs and objectives.

'Dance Anywhere' Program Sponsorship

Chantry Dance delivers outreach programme around the county, and this is very much at the heart of our mission. Projects include delivering full length pieces or excerpts from our repertoire to those who cannot easily get to the theatre - for example the elderly and the sick.

It is our aim to bring dance into whatever space may be available, and to adapt our performances to non-conventional venues such as care or nursing homes and prisons. We also deliver workshops and participatory dance experiences for this target clientele.

We invite you to join us in supporting our mission to share the art of dance with your local community.

We look forward to working with you to find the best fit for sponsorship that puts your business in the spotlight.
